### Description

Ideal for a creative group attending a festival or a conference in the Palais des Festivals and knows how to throw a party, this Cannes group accommodation consists of 600m2 of Garden space and an in house elevator connecting 4 levels of living space. The villa is conveniently located at a 20-minute walk or a 10-minute drive from the convention centre. The Cannes group villa is ringed by outdoor gardens and has multiple sitting arrangements in the form of an outdoor lounge. You can have some guests over and enjoy the pleasant Cannes weather to the fullest by having barbecue parties or even a formal cocktail party. The entire villa features high ceilings, large windows and exhibits imperial decorations. The uniquely designed ground floor consists of 2 separate living areas, one covered and the other glass enclosed. This impressive area with glass walls and ceiling offers lovely garden views and would serve as a perfect meeting room. The first floor is occupied by 3 generously spacious and beautifully decorated bedrooms. The first one comes with a double bed, an ensuite bathroom and a terrace. The second bedroom is provided with 2 single beds while the 3rd bedroom has a double bed and all the bedrooms open up to a terrace. Additionally, you'll find a shower room and a toilet on this floor. The 2nd floor is solely dedicated to the master suite with a huge balcony and multiple desks to work from. Flaunt your dance moves in the basement bar equipped with high-fi lighting and sound system. There is also a linen room in the basement of this Cannes event villa. Cannes group villa is suitable accommodation for you if you wish to spend some quality time with your friends or co-workers.
